# ABOUT US

1

**Majestic Media & Performing Arts** is a creative initiative dedicated to delivering professional media services while nurturing performing arts talent within the community. The organization integrates modern digital media solutions with artistic expression to empower youth, create employment opportunities, and promote cultural development.

## MAJ MEDIA SHG

Focus on Media and Digital Production Services

## MAJESTIC ARTISTS SHG

Focus on Performing arts and talent development

Together, these groups provide a holistic platform that supports both creative production and artistic performance.

### Vision

To become a leading community-based creative hub that empowers talent through media production and performing arts.

### Mission

To provide high-quality media services while nurturing and promoting talent in acting, dancing, and other performing arts for sustainable livelihoods.

### Core Objectives

- To offer professional media production services
- To nurture and promote performing arts talent
- To create employment opportunities for youth
- To support community storytelling through digital media
- To build a sustainable creative industry at the grassroots level
